Official Blockchain Diploma

Miami Dade College

This official diploma has been secured to the blockchain and transmitted electronically to the recipient, and is intended solely for the use by that recipient. It is not permissible to replicate this document, forward it to any person or organization, or disclose its contents to any third party without the express written consent of the record owner.

This digital diploma is authenticated through blockchain technology. If you have not accessed this document through a secure verification process, kindly request its secure verifiable link from this diploma owner. The link will look like: https://mdc.whitefish.one/verify/<15 digit ID>

The 6-step verification process declares that this diploma is certified on the blockchain and confirms its authenticity as an official diploma issued by Miami Dade College, which will have a from email address of diplomas@mdc.edu

---

If the diploma is not able to be verified on the blockchain, reject this diploma immediately. Failure to verify on the blockchain means either the digital signature is not authentic, or the document has been altered. The credential on the blockchain could have also been revoked by the issuing institution.

Whitefish Certified Credentials

Whitefish

Whitefish is the preeminent blockchain platform that provides learning credentialing services. Now millions of users can securely store, post and share learning achievements like degree diplomas, transcripts, training certificates, professional licenses, and learning artifacts among others. Schools and training centers benefit from speedy issuance of transcripts and certificates, while they are easily verified by employers. **www.whitefish.one**
